• SITUATION

Who are we? What has happened?

We are Orbital Drop Shock Troopers (ODST) branch of the UNSC Marine Corps. under conventional deployment on the Colony planet of Madrigal.

The Colony planet of Madrigal has been the grounds for a massive insurgency that has overrun and taken over one of the major cities on the planet with the aims and goals of attaining powerful experimental weapons that were temporarily housed there for testing. Resulting in a high quantity of Shiva class nuclear missiles falling into their hands.

Your duty is to find these weapons and take them back into the arms of the UNSC, failure is not an option.

What are we going to do about it?

Mission Critical Objectives:

- Retrieve the Shiva-Class nuclear weapons.
