• SITUATION

Who are we? What has happened?

We are **ODST** Core of the **UNSC** Military Branch of the **Unified Earth Government**. A Recently formed special operations division designed as a rapid response force and interdiction Unit.

Recent occurrences and incidents with the Insurrectionist forces system wide has left **UEG** Military Command in a dire conundrum as to regards of the safety of Earth controlled star systems. The recent events on **Eridanus II** Pushed the development of the newly found shock troops into high gear.

However trouble did not find itself always that far from home, as in the last few weeks a new incident has arisen on our home planet, **Earth**.

An insurrectionist force has managed to take over and hold one of our planetary defense batteries on the Tanoa Island chain, This cannot be permitted to continue and as such the **UNSC** has authorized a Rapid deployment of our new branch. Equipped with the best gear available in the military, some even experimental. including state of the art Medical body support system.
