Operation:	Operation Hidden Eyes
Episode:	1 / 2
Location:	Kujari, Mali
Date:	18th Feb 2022
Time:	Step-off-08:00AM
Password:	ISIS

1. SITUATION

Who are we? What has happened?

During the up rise of ISIS in Mali, Boko Haram collaborated with the ISIS insurgence. Some disputes over power and religion has led to a war between the faction.

African UN forces are active in the area to stabilize the tension, performing regular checks and roadblocks. Last week a known courier Bashir Ghani got captured during a vehicle check. During the interrogation he told us the names of some faction leaders

Fakhir Abbas: Executioner of Christian Civilians

Reda Yusuf : Former Belgium Chemical engineer, joined the holy war and is believed to manufacture IED's and Bomb Vests

Rajaa Al-Nazar : Saudi financier, no pictures yet

Walid El-Emani : ISIS local leader

PR Person: Unknown, Bashir only told that he looks like press

The UK has an FOB little John, but is heavily dependable on the US army to fly in resupplies.

The US army is in control of the Main Airbase, provide QRF to their Allies, collects intel on enemy positions.

Recently ISIS has moved up and took control over FOB Bronze Jack where some heavy vehicles including 150mm artillery was located. Intel suggest that they are trying to operate the equipment

2. MISSION

What are we going to do about it?

Mission Critical:

Reclaim FOB Bronze Jack

Remove AA treat

Secondary:

Collect all information on possible locations of mentioned individuals (See Picture)

Capture any High Value Target to collect

3. RESOURCES
