• SITUATION

Who are we? What has happened?

We are the mighty Eleventh Hour PMC, after our recent successes in other theatres, the US Army have contracted us to perform a first strike on the Chernarus Defense Forces who have quietly invaded key locations of the region.

The US can't be seen involving themselves in region squabbles until they have become unstable, we will be that spark to allow action.

• MISSION

What are we going to do about it?

- Cause instability by assaulting CDF Bases and blowing stuff up
