## • SITUATION

### **Who are we? What has happened?**

We are the Glorious VDV, Mother Russia's airborne troops and the pride of the Soviet Union, On a military operation against the insurrectionists of Afghanistan. We are here to stabilise the country and make sure it's corrupt foreign rulers are removed, so our glorious government of the Soviet Union can take its rightful place in this unstable land.

However our enemy, this "Mujahideen" have been affecting our operations recently, going so far as to strike many miles in our own territory, this is unacceptable! we must make them pay, but first we must demilitarise them. find their weapons and vehicle stockpiles, and reduce them all to dust.
