1. SITUATION

Who are we? What has happened?

While the anti-War protests in the United States, due to the allegedly unfair Draft System, reached a new level of public outrage, the War in Vietnam continued unchanged. At the beginning of 1967 US Forces were steadily trying to expand their foothold in the country through several ground Operations and an excessive aerial bombardment of North Vietnamese Territory.

You are part of the 4th Infantry Division, 3rd Brigade, Last Resort Company. You are tasked with taking control over the Ba Kong Valley in the Quang Tri Region, in order to allow US Armored and Support Forces to advance further North into North Vietnamese Territory.
