## • SITUATION

### **Who are we? What has happened?**

We are a portion of GRU's Spetsnaz detachment.

We have decided that the manner in which the Russian government conducts itself is unfavorable to us and the common man who built this country. Therefore the decision has been made to sabotage the current "Anti-Terrorism" operation occurring in the South East part of Russia, near the Green Sea, as well as enacting our eventual desertion of the Russian military.

## • MISSION

### **What are we going to do about it?**

- We are going to sabotage the Russian war effort in the region and then Exfiltrate from the area post haste.

### **Mission Critical Objectives:**

- Disable the Russian LORAD system net.
- Destroy and Sabotage supply depots in the area.
- Exfiltrate from the region by air.
